## ABOUT THE CRAFTY SEW AND SEWS

We are a group of experienced home crafters aged between 26-90 who meet at the West Watford Community Centre to share skills and work on our own projects. We use donated and recycled materials to make handcrafted items to sell on craft stalls. Since January 2012 we have raised £2,300 to help keep the Community Centre running. Thank you to John Lewis, Hobbycraft, Yeoman Yarns and local residents who have provided materials for the group.
