Wild about Watford

The parks and open spaces in Watford are home to a wide variety of wildlife.

Watford Borough Council is working with partners and local residents to protect and enhance the town's biodiversity through its nature conservation programme.

Everyone is welcome to join us at the events listed.

You don't need any previous experience, as there will be an expert leader on the day and tools are provided. You are welcome to come along for just an hour or the entire morning. Children must be accompanied by an adult. You are advised to wear old clothes and stout boots.

Please note: the details in this leaflet may be subject to change, so do check before turning up!

For further information please contact Watford Borough Council's Conservation and Development Officer on tel: 01923 278333
